**ZONING ADMINISTRATOR
NOTICE OF HEARING ON
APPLICATION FOR ZONING VARIANCE**

Notice is hereby given to the general public and to owners of the subject property and other property within 300 feet that an application for variance under the Planning Code as described below has been filed with the Zoning Administrator and will be considered at a PUBLIC HEARING to be held on the date, time, and place listed on the first page of this Calendar:

1. **2017-008431VAR** **(ELLA SAMONSKY)**

2220 TURK BLVD, Lot 032 in Assessor's Block 1112 in a RH-2 (Residential House, Two-Family) Zoning District and a 30-X Height and Bulk District.

EXPOSURE VARIANCE SOUGHT: The proposed project is to add five Accessory Dwelling Units at the first and second floor of an existing three-story, eight-unit residential building undergoing seismic retrofitting.

PER SECTION 140 OF THE PLANNING CODE the subject property is required to have qualifying windows of each unit face directly on an open area meeting the requirements of the Planning Code. The dimensions of the open area may be reduced to 15 feet in width and depth for Accessory Dwelling Units. The subject property has a rear yard that is 10 feet in depth and 48 feet in width. Two of the proposed Accessory Dwelling Units will face onto that rear yard, which is less than the minimum 15 foot by 15 foot open area required for exposure; therefore, a variance is required.

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at:
<http://notice.sfplanning.org/2017-008431VAR.pdf>.

2. **2017-008412VAR** **(DORI GANETSOS)**

2230 TURK BLVD, Lot 033 in Assessor's Block 1112 in a RH-2 (Residential House, Two-Family) Zoning District and a 30-X height and Bulk District

REAR YARD AND EXPOSURE VARIANCES SOUGHT: The proposed project is to add five Accessory Dwelling Units at the first and second floor of an existing three-story, eight-unit residential building undergoing seismic retrofitting.

PER SECTION 134 OF THE PLANNING CODE, the subject property is required to have a rear yard that is 25% of the lot depth (based on averaging of the adjacent neighbor). The project proposes the infill of three existing driveways taller than 10', a portion of which is within the required rear yard. This increases the noncompliance of the building, thus requiring a variance.

PER SECTION 140 OF THE PLANNING CODE the subject property is required to have qualifying windows of each unit face directly on an open area meeting the requirements of the Planning Code. The dimensions of the open area may be reduced to 15 feet in width and depth for Accessory Dwelling Units. The subject property has a rear yard that is 10 feet in depth and 52' 7" feet in width. Two of the proposed Accessory Dwelling Units will face onto that rear yard, which is less than the minimum 15 foot by 15 foot open area required for exposure; therefore, a variance is required.

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at: <http://notice.sfplanning.org/2017-008412VAR.pdf>.

C. PUBLIC COMMENT:

With respect to agenda items, your opportunity to address the Zoning Administrator will be afforded when the item is reached in the meeting. Each member of the public may address the Zoning Administrator for up to three minutes.

The Zoning Administrator will not take action on any item not appearing on the posted agenda, including those items raised at public comment. In response to public comment, the Zoning Administrator may:

- (1) respond to statements made or questions posed by members of the public; or
- (2) request staff to report back on a matter at a subsequent meeting; or
- (3) direct staff to place the item on a future agenda.(Government Code Section 54954.2(a))

ADJOURNMENT

Hearing Procedures

The **Zoning Administrator** typically holds Variance Hearings on the **4th Wednesday of each month at 9:30 a.m.**, at the **San Francisco City Hall, Room 408**. City Hall is located at One Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. Hearings are open to the public.

At the hearing, the **Project Sponsor** (Variance Applicant) will be given 5 minutes to present their case, including relevant testimony and evidence. The hearing room is equipped with a projector that can display photographs, architectural plans or other drawings and images. **Members of the public** will be given 3 minutes each to speak on the item. If a member of the public speaks against an item, the Project Sponsor will be given a 3 minute **rebuttal**.

Persons attending a hearing may comment on any scheduled item. When speaking, please note that a **timer** is displayed for each speaker and indicates how much time remains. Speakers will hear a loud sound indicating that the speaker's opportunity to address the Zoning Administrator has ended.

Please note that some items may appear on the **Consent Calendar**. These items are considered routine and may be granted by the Zoning Administrator. There is no separate discussion of consent items unless the Zoning Administrator, member of the public or staff so requests, in which event the matter is removed from the Consent Calendar and will be moved to the Regular Calendar in the Agenda.

In addition, the Zoning Administrator may consider a request for **continuance** to a later date. He may choose to continue the item to the date proposed, to continue the item to another date, or to hear the item on this calendar.

After all of the testimonies are submitted, the Zoning Administrator will consider the evidence, deliberate, and either make a decision, take the matter under advisement, or continue the matter in order for additional information to be presented.

Each hearing ends with **general public comment**, at which time members of the public may address the Zoning Administrator for up to 3 minutes on items of interest to the public that are within the subject matter jurisdiction of the Zoning Administrator, except agenda items. With respect to Agenda items, your opportunity to address the Zoning Administrator will be afforded when the item is reached during the meeting.

Sound-Producing Devices Prohibited

The ringing of and use of mobile phones and other sound-producing electronic devices are prohibited at this meeting. Please be advised that the Zoning Administrator may order the removal of any person(s) responsible for the ringing or use of a mobile phone, pager, or other similar sound-producing electronic devices (*67A.1 Sunshine Ordinance: Prohibiting the use of cell phones, pagers and similar sound-producing electronic devices at and during public meetings*).

Decision Letter and Appeal Process

No decision is final until a **Variance Decision Letter** is issued. Due to current backlogs, decision letters may take **up to 2 months** to complete from the date of the hearing. The Zoning Administrator's action to grant or deny a variance application may be appealed to the Board of Appeals within **10 days** of the date of the Decision Letter. For more information on how to file an appeal, please contact the **Board of Appeals** in person at 1650 Mission Street, Suite 304, call **(415) 575-6880**, or visit the [San Francisco Board of Appeals](#) website.

Protest of Fee or Exaction

You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Zoning Administrator's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.

Challenges

Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the adoption, amendment or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Zoning Administrator or Planning Commission, at, or prior to, the public hearing.

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Zoning Administrator's or Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.
